

# ★ FREE Carbon Monoxide Workshops for your Primary School

## Year 2 and 3 Workshops with Safety Seymour

Join Safety Seymour, the caped crusader on a mission to raise awareness of the dangers of carbon monoxide. Our experienced DBS checked Arts Facilitators will lead your pupils through an educational and interactive half day drama-based workshop, fully funded by Cadent Gas LTD.

With age-appropriate learning, each session explores what is carbon monoxide, how to pronounce it, colours of flames and how to spot the bad flame, signs and symptoms and how to stay safe from the gas. Each child will receive a carbon monoxide alarm to take home. With links to: The Great Fire of London, PSHE, STEM, Drama, Art, Human Body.

## Year 5 & 6 Workshops with The CO Crew

Your pupils will take part in a fully interactive and creative half day workshop learning about carbon monoxide featuring Loz and Mini, The CO Crew all fully funded by Cadent Gas LTD. This workshop explores the science behind carbon monoxide, how it is produced, recognising signs and symptoms and how to keep themselves safe from the gas at home. Your pupils will receive a CO Crew keyring, pen and booklet. With links to PSHE, STEM, Respiratory system, Human Body, Drama and Art.

## Whole School Assembly Resource Kit

Our free whole school assembly resource kit is a perfect introduction or reflection to our in-person workshops. Simply download the resource pack to deliver the assembly: a 15-minute film featuring Safety Seymour and The CO Crew. Your pupils will be given an oversight to what is carbon monoxide and how to spot the dangers. We can also deliver this assembly for you on the day of your workshops.
