

## Workplace Wellbeing Award

The health and wellbeing commitment for employers

Funded support for all businesses in Coventry and its surrounding areas through the City Council's Employment and Wellbeing Service.

**The Thrive at Work health and wellbeing awards are the West Midlands County standard of good practice and a quality mark for health and wellbeing in the workplace.**

**This fully funded, accredited programme within the Coventry area has been created to offer help and guidance, to implement changes, improving health and wellbeing in the workplace.**

**The Thrive at Work commitment provides employers with a structured approach to workplace health and wellbeing. With a blend of organisational and individual wellbeing elements:**

- ▶ Enablers of health
- ▶ Mental health
- ▶ Musculoskeletal
- ▶ Lifestyles
- ▶ External risks to health

**Please register your interest on the WMCA website**
