

**West Midlands Violence Reduction Partnership:**

**Child Exploitation Awareness Training Schedule**

**18<sup>th</sup> March 2024**

To mark National Child Exploitation Awareness Day this year, this awareness training programme has been developed in collaboration with partners supporting the West Midlands and aims to develop and improve our understanding to be able to identify and respond to the threat of Child Exploitation.

All sessions are **free of charge to attend** and will be delivered via Microsoft Teams. The timetable below has links to the Eventbrite booking page for each event, where tickets can be booked. There are limited spaces, with only 300 spaces available per session, so please sign up at your earliest opportunity to guarantee your place.

**If you cannot attend after you have signed up, please ensure you cancel your ticket to allow others to sign up.**

On behalf of the West Midlands VRP, we would like to share our deepest gratitude to our third sector partners who are delivering the training within the programme below.

We encourage you to **share** this awareness training programme far and wide amongst your networks regionally and nationally.
