

# Safe Spaces

## Feeling unsafe? We've got you covered!

Child Friendly Cov and West Midlands Police have partnered to launch a safe spaces initiative across the city. Our goal is to provide young people with safe and accessible spaces when they are not feeling safe.

All locations have received training and are equipped with window stickers, power banks, phone chargers, and small dry foods/hygiene packs provided by Tesco, Asda, Langar Aid, and the Foodbank.

You can find a list of safe spaces on our website:

[www.childfriendlycov.co.uk/safespaces](http://www.childfriendlycov.co.uk/safespaces).

These locations are easily identifiable by the window sticker displayed on their premises.
