

WELCOME!

The Go Parks: Active Schools Challenge is set to return for 2024 and this time we will be celebrating the Olympic and Paralympic Games with a Paris 2024 Special.

This edition of the Challenge features a simple-to-use point and scoring interface that **boasts a virtual medal collection** and **inter-family competition** features via the Go CV system.

The Challenge will offer Coventry schools and families the opportunity to **stay active for free this summer** by visiting up to **30 participating parks** and gaining points from around the city.

Alongside the Challenge, there will also be a **range of pop-up, 'have a go' activations** themed around sports from the Paris 2024 Games!

The Go Parks: Active Schools Challenge - Paris 2024 Special is open to all Coventry schools and residents to enter and will for **last 29 days from Sunday 9 June – Sunday 7 July**.

As with previous Challenges, the Paris 2024 Special will require all participants to be a Go CV member. The Challenge is operated through the Go CV platform where points can be logged, progress can be tracked and where collected medals are stored. Coventry residents can register for a Go CV account ahead of the challenge via the [Go CV website](#).

The Challenge begins on the same day as the Coventry Children's Mile, allowing families to kickstart their participation in the park immediately following the mile race.

The 'Go Parks: Active Schools Challenge' is a partnership between Coventry City Council, Coventry's School Games Organisers and CV Life.

SCHOOLS TOOLKIT:

Your 'Schools Toolkit' is really important – and it might make your life easier! In here you will find several resources that can help you plan your school's involvement, link it to the curriculum and encourage wider engagement. In here you will find:

- ✓ [Day to day plan](#)
- ✓ [School newsletter insert \(PDF / JPEG\)](#)
- ✓ [Social media/promo graphics](#)
- ✓ [Blank template \(for Art/English weeks\)](#)
- ✓ [Bingo card](#)
- ✓ [Interactive parks/locations map](#)
- ✓ [How to sign up to Go CV sign up flyer](#)

You can access your Toolkit by using the above links – all available to print and download. We have also sent you a zip folder where you can access everything you will need too.

MEMORY LANE!

Why not take a few minutes, get a cuppa and enjoy the highlights from previous Go Parks: Active School Challenges?! Bonus points if you can spot yourself!
