

# Early Excellence Inspirational Learning

## Let's Step Outside in the EYFS

Early Excellence is delighted to be working in partnership with Alderman's Green Primary School to offer a full day of training for EYFS staff.

Join us for this full day of training which has been designed to support your EYFS team as they place outdoor learning in the spotlight and focus in turn on Principles, Provision and Practice.

Explore key aspects of pedagogy alongside new ideas with inspiration for practice and provision.

### Over the course of the day we will cover:

- **Establishing Principles** - Exploring the Special Nature of Outdoor Learning
- **Rethinking Provision** - How to Maximise Opportunities Outdoors
- **Developing Practice** - What do Adults Need to Know and Do Outdoors

### Benefits:

- Understand the impact of outdoor learning on young children's development
- Explore the connection between the physical environment and the opportunities and possibilities for learning outdoors
- Develop practical strategies to deepen your knowledge of the adult role in outdoor learning

### Audience:

EYFS leaders and practitioners

### Venue:

Alderman's Green Primary School  
Alderman's Green Road  
Alderman's Green  
Coventry  
CV2 1PL

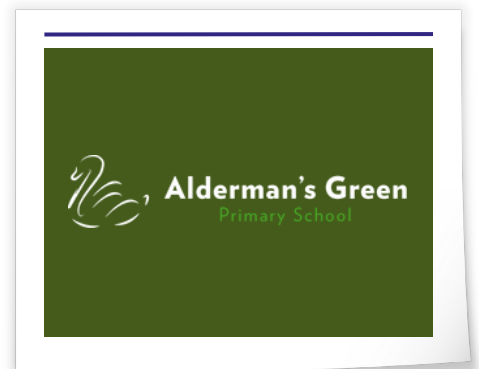

**Dates:** Tuesday 15th October
