

EARLY SUICIDE PREVENTION WORKSHOPS FOR SCHOOLS

FREE ONE-DAY WORKSHOP FOR UP TO 12 DELEGATES

This six-hour workshop is for teaching and support staff at secondary schools, middle schools, and further education settings in Warwickshire and Worcestershire.

- Identify early warning signs of suicide ideation in students and staff
- Understand how to support someone else, look after yourself, and where to get help
- Learn how to initiate a conversation with a student about suicidal thoughts or self-harm
- Gain the confidence to have a conversation about suicide
- Flexible delivery: face to face or online. Twilight or two half-day workshops considered
- Includes comprehensive leave-behind resource pack for each attendee

**Funded by
UK Government**
