Have you seen the new referral pathway for speech and language therapy? Do you work in a primary school?

Are you interested in learning how to create a communication-friendly and language-rich environment or need some new ideas?

Join us for this free training course led by Speech and Language Therapy.

The trainers will offer an engaging session to discover meaningful opportunities for communication and discuss ways to transform your classroom and entire school into a communication-friendly space.

To book your place please visit our website at
