The winning design will be made into a sign to be displayed outside the winning school plus there will be other individual prizes available.

The 2024 competition was a great success and one that we hope to expand on in 2025 and reach out to more schools and get lots more children involved. In addition to the winning school having the sign made into an actual sign, the winning child will win a brand-new bicycle and bicycle helmet, plus there will be additional runner up prizes.
