

Family Support

because we all need
a little help sometimes

How our school can support your family

We will work together with you to understand what help you need and then together make a plan. This may include working with partner agencies and Coventry City Council's Early Help services as well as members of your support network and other professionals who will form a team around your family to help make positive changes.

How could you and your family benefit from family support?

The family support is designed to help your family in the challenging moments of your life. Our school staff are skilled professionals and want to help you and your family be the best that you can be. The earlier you get help the better.

What happens if I don't want the help?

We want to work with your family and it's important we have your full engagement but you do not have to take the support that we are offering you, this is a voluntary process and you can tell us at any time if you no longer want the support.
