

IF YOU WERE an **ENGINEER** WHAT WOULD YOU DO?®

UK-wide STEM competition free to all pupils aged 3-19

- Open to all UK schools
- Interview inspiring engineers
- Every entry is read and graded by an engineering professional
- Winning entries are selected from each year group
- All entrants receive personalised graded certificates
- Shortlisted entries celebrated at regional public exhibitions and award ceremonies

Register for free to get access to everything you need to start the competition in your class this year:
