

# ASK, TALK, DECIDE

**Your space to talk about vaccines and get protected**

Keeping up to date with the UK vaccine schedule is important as it helps protect your child from serious diseases, especially as they begin school and come into contact with more people.

## **WHO ARE THESE SESSIONS FOR?**

If your child, or a child that you care for, is about to start school or has already started, come and chat with us and find out which vaccines are available.

Vaccinations are **free** as part of the NHS vaccination programme.

If you have any questions or would like to discuss any concerns in a safe environment, you can speak with our nurses on the day

Missed a vaccine appointment at your GP practice? Don't worry, you can catch up at our family hub.

## **DROP-IN SESSIONS**

**Where:** Families for All Hub, 454 Foleshill Rd, Coventry, CV6 5LB

**When:** Tuesday's 12:00 - 5:00PM on the following dates
