

# “WE ARE TOMORROW” SINGING AFTER SATS 2026

**Date: Tuesday 19th May Time: 1:30pm - 2:30pm**  
**Venue: Butterworth Hall, Warwick Arts Centre,  
University of Warwick, Coventry, CV4 7AL**

## **Looking for a treat for your Y6 students following their SATs exams this May?**

Come and join the Warwick Arts Centre Music Team plus music tutors from the Heart of England Music Hub for an interactive workshop at the Arts Centre, in our KS2 singing after SATS: “We are Tomorrow!” In this workshop we will light up the Butterworth Hall with singing and dancing. The students will learn a range of dynamic and joyous songs in unison and harmony, written specifically for their age group, that will get them moving and smiling.

This fun, interactive singing workshop will require minimum preparation. We will be providing a couple of learning tracks for the longer pieces that you might like to play along to in classes in the weeks leading up to the performance. Otherwise, most of the songs will be taught during the session, on the day.

- **The workshop is aimed at Y5-6 but if you have a particularly enthusiastic Y4 class, you are encouraged to bring them along.**
- **FREE for schools**
