

# Coventry Strategic Energy Partnership

E.ON Next Net Zero Training Academy | Supporting Coventry Schools

We are proud to work in partnership with Coventry to deliver **high-impact, curriculum-aligned energy education** for schools. Our offer supports **STEM learning, Ofsted priorities, and local Net Zero ambitions**, while inspiring pupils to become confident, informed, and future-ready.

## What We Deliver?

### Energy & Net Zero Assemblies

A high-energy, interactive assembly introducing renewable energy, climate responsibility, and Net Zero to Primary and Secondary schools. Building STEM capital, scientific vocabulary, and clear curriculum intent around sustainability.

### Hands-On STEM Workshops

(Science, Technology, Engineering & Maths)

Practical, engaging workshops where pupils build, test, analyse, and problem-solve.

**Primary:** Wind-powered car build, future energy homes, energy detective activities

**Secondary:** Build a renewable home, smart energy systems, energy analysis

**College:** Advanced renewable home build and low-carbon solutions

These sessions evidence working scientifically, sequencing, and real-world STEM application.

## Sustainability & Real-World Impact

Learners explore how energy choices affect homes, communities, and the environment—supporting **behaviour change**, climate literacy, and long-term knowledge retention.

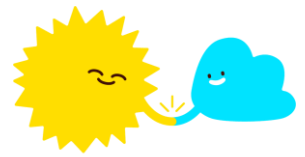

## Careers & Green Pathways (Secondary & College)

Employer-led sessions linking learning to **green careers**, qualifications, apprenticeships, and future pathways.

Supports **Gatsby Benchmarks**, aspiration, and destinations.

## Why Schools Choose This Programme?

- ✓ Clear **STEM curriculum alignment** (Science, Technology, Engineering & Maths)
- ✓ Strong **Ofsted evidence**: Intent, Implementation, Impact
- ✓ Hands-on, inclusive, and engaging for all learners
- ✓ Links learning to **real jobs, homes, and communities**
- ✓ Delivered by experienced industry professionals

## Delivery Model

- ✓ Half-day or full-day options
- ✓ Assemblies + workshops (flexible combinations)
- ✓ Suitable for **Primary, Secondary, and Colleges**
- ✓ Tailored to each school's needs
