

Coventry Safeguarding Children Partnership

Training Programme
JULY – AUGUST 2026

Your Voice Matters

*Do you work in a school? Or community group?
Or work/volunteer directly with children?*

If you answered **yes**, then we would like the opportunity to come to your organisation or school and speak directly with children and young people!

The CSCP offer a *free* bespoke face-to-face workshop targeted specifically for young people aged 8-18. The session typically involves a series of questions and activities focused on safeguarding, safety in the City, online safety and support in Coventry.

Each session is exclusively designed to meet the needs and ages of the young people participating. Sessions normally run for 1 hour with around 10 young people, however this can be adapted depending on need and availability.

If you are interested in booking a workshop, then please contact cscptraining@coventry.gov.uk

Five to Thrive

Five to thrive is a framework that takes complex neuroscience and converts it into five simple things that parents and others can do to support healthy brain development in children and young people.

Central to the five to thrive approach is this set of key activities:

Respond • **Engage** • **Relax** • **Play** • **Talk**

Five to Thrive emphasises the importance of connected relationships in recovering from collective trauma

Practice Week is all about organisations coming together to raise awareness of safeguarding issues. It's a great opportunity to share ideas, strengthen practice, recognise good practice and help make communities safer. We have arranged for a number of webinars to take place throughout the week!

Understanding Child Neglect

Neglect is a key priority for Coventry Safeguarding Children Partnership; this involves working closely with local and partner agencies to ensure that the city's workforce can identify all forms of neglect and the measurable developmental damage impact this has on children.

The Partnership hosted a learning event delivered by Dr. Jo Gifford which can be found [here](#).

Child Sexual Abuse: Centre of Expertise Response Pathway Webinars

sexual abuse

The West Midlands Region are working with the Centre of Expertise on Child Sexual Abuse to implement a CSA Response Pathway. The CSA Centre have delivered a series of webinars and training aimed at any professional working across the West Midlands, West Mercia, Warwickshire, Staffordshire or Stoke on Trent area, whose role may involve contact with children.

It is relevant for both frontline staff, and those in strategic leadership roles. Each session has been recorded and a range of topics have been covered such as the response pathway, spotting the signs and indicators and communicating with children about CSA. The recordings can be found here:
