

February - March 2021

PROGRAMME UPDATE

Keeping stakeholders, parents and carers informed about Dudley's Special Educational Needs and Disabilities (SEND) Improvement Programme

Local Offer website survey

We are almost ready to publish a brand new Local Offer Website - a one stop resource of information and services available for children and young people (aged 0-25) with Special Educational Needs and/or Disabilities (SEND), their parents, carers, families and professionals.

To this end, we are asking young people, parent/carers and professionals to share their views and experiences of our [new draft website](#) (currently not available to the public).

We want to understand if the Local Offer website is helpful, easy to use and provides you with the information you need.

Please complete our [online survey](#) by 10 March to tell us your views.

We intend to launch this new local offer at the end of March 2021
