PROGRAMME UPDATE

Keeping stakeholders, parents and carers informed about Dudley's Special Educational Needs and Disabilities (SEND) Improvement Programme.

2) Dudley Parent Carer Forum is one year old!

In December, Dudley Parent Carer Forum celebrated their one-year anniversary on becoming an independent forum. Co-chairs Jenny Jones and Claire Powers said:

“Thank you to everyone who has supported us on the journey of moving from a hosted to an independent forum, it has been difficult but absolutely the right thing to do. We know change still seems a long way off but we promise that we will never stop pursuing our aim of brighter futures for the children and young people of Dudley and their families.”

Dudley Parent Carer Forum is an independent group for parent carers of children and young people (0-25 years) with disabilities and additional needs. The forum provides a safe environment for parent carers of children with disabilities or additional needs to share their thoughts and concerns and to empower them to have their voices heard in a way that influences change and service design.

Any parent carer of a child with a disability or additional needs, residing in Dudley borough can become a member.

For more information contact the forum via their [Facebook page](#), by their [website](#). You can also [sign up](#) for the Dudley Parent Carer Forum to keep in touch with you.
