PROGRAMME UPDATE

Keeping stakeholders, parents and carers informed about Dudley's Special Educational Needs and Disabilities (SEND) Improvement Programme.

4) Events and workshops for people with SEND

Dudley SENDIASS (special educational needs & disabilities information advice and support) Service is running a range of online activities over the coming months to help parents and carers or young people with SEND.

The service is also launching the 'Let's Talk About... ' series of events, working with partner agencies to discuss topics around Mental Health, Wednesday 16 February, and specialist support services on Wednesday 25 May.

The service is pleased to announce that alongside the 'All About You' sessions which run specifically for young people, we are also launching the 'Let's Talk About... ' series of events. These events will be working with partner agencies to discuss key topics of interest over the remainder of this academic year.

To book a place on any of these informative sessions, please email the service at dudley.sendiass@dudley.gov.uk.
