

March/April 2022

PROGRAMME UPDATE

Keeping stakeholders, parents and carers informed about Dudley's Special Educational Needs and Disabilities (SEND) Improvement Programme.

4) Community Inclusion: Changing Places

People with additional needs have welcomed a £150k grant to enable Dudley Council to add three specialised toilet and change facilities in the borough.

Facilities will be installed at Dudley Zoo, Black Country Living Museum and the Cornbow Centre in Halesowen by 2024.

Dudley Council submitted an application to central government under the Changing Places Toilet Programme fund last year.

Changing place toilets are specially designed for people with complex needs and disabilities. They include specialist equipment and at present there are seven such facilities for public use in the borough.

There are currently seven changing places toilets available across the borough. To find a changing places toilet, please visit our [Local Offer website](#) which has a locator tool.
