GROWING YOUR SKILLS, WIDENING YOUR HORIZONS
A PROGRAMME FOR 16-25 YEAR OLDS

• Have fun with other young people
• Discover skills you never knew you had
• Find out about social enterprise
• Feel confident working with others

STARTS SEPTEMBER 2016 | INVERNESS | 7 SESSIONS
You are invited to join a team of young people, learn new skills and have fun in a relaxed setting.

Supported by Social Enterprise Academy and Birchwood Highland, we will grow a youth-led social enterprise for Birchwood Highland to support sustainable learning and development for young people.

The outcome will be a new enterprise which exists to do good for people, the local community, and the environment.

You will have a key role in shaping this new social enterprise.

**LEARNERS**

This programme has been designed for people aged 16 -25 who are interested in developing new skills and learning about how they can make a real difference in their communities.

**ON THIS PROGRAMME YOU WILL:**

- Understand your own strengths and develop skills that are valued by employers
- Find out how social enterprise can help our communities
- Become confident in leadership and teamwork through designing a new social enterprise
- Get a City & Guilds qualification

**WHO ARE WE?**

Aspire 2 Be (A2B) at Birchwood Highland is a project for 16-25 year olds. We aim to support young people with their mental wellness, and offer help at an early stage through linking young people with relevant activities, opportunities, and community facilities to empower, support personal growth and development and enable people to reach their potential.
