SEND Workshops

Are you a parent/carer of a child or children with Special Educational Needs and Disabilities (SEND)?

Would you like to know more about how to support your child alongside supporting your own wellbeing?

Would you be available for two hours a week in a relaxed environment with other parents/carers? (Tea, coffee, and biscuits included!)

All completely free of charge!

If so, please join us for our multi-service workshops. Our weekly workshops include information on sleep, neurodiversity, autism spectrum conditions (ASC/ASD), emotionally-based school avoidance, wellbeing, behaviour support and more. The sessions will be delivered by specialists working with children and young people with SEND.

The workshop content can be tailored to meet your needs and questions. Once signed up, you will be given the opportunity to share information about your own circumstances with us to make sure we are offering what matters to you and your family.

The workshops run on a **Thursday morning, 10am until 12pm** from the:

Adult Learning Centre, Burden Road HU17 9LW, Beverley.

The dates are as follows:

11th April
18th April
25th April
02nd May
09th May
16th May
23rd May
06th June

Places will be allocated on a first-come, first-serve basis. To express your interest, please email SpecialistServices.HUB@eastriding.gov.uk with your **name, address, phone number, age of your children, if you would like one or two places and if you require childcare in a registered setting for the above dates**. A member of our team will then be in touch.

If you have any questions, please do not hesitate to contact the team. We look forward to meeting you and working with you to support your family
