# What must Local Safeguarding Children Partnerships do?

Support and enable local organizations and agencies to work together in line with **Working Together to Safeguard Children 2023:**

- **Children are safeguarded**, and their welfare promoted.
- **Collaborate** to achieve improved outcomes for vulnerable children.
- **Challenge** appropriately and hold one another to account on safeguarding matters.
- **Identification and analysis** of new safeguarding issues and emerging risks.
- **Learning is promoted** and embedded in a way that local services for children and families can become more reflective and implement changes to practice.
- **Information is shared** effectively to facilitate more accurate and timely decision making for children and families.

# ERSCP Priorities

**KEEPING BABIES SAFE** - *Promote and improve the safety and welfare of vulnerable babies and young children*

**NEGLECT** - *Respond to neglect and the impact of parental issues on the welfare of children and young people*

**Risk Outside the Family Home** - *Child Exploitation and the impact of violence and abuse experienced outside the home*
