Everyone should be connected at Christmas

Send free data to someone in need, on us
Search O2 Christmas Sim Card

We're better, connected

Good Things Foundation

Speed & availability: Voucher per person (MMS 2022) Ltd. Minimum of 1GB guaranteed. O2 Pay As You Go 101 Pay bundles are required, are not available. Excludes mobile. 8 terms apply. See O2.co.uk/terms.

What we're doing this Christmas

Between 7 Nov – 31 Dec 2022, we will be providing 1 million GB of free O2 data to people in need via our O2 Christmas Sim Cards, which allow people who need a hand staying connected to redeem 7GB of Pay As You Go data on us. To benefit from offer, you need an O2 Pay As You Go £10 Big Bundle sim, available separately for free [here](#). Once you have an O2 Pay As You Go sim card, follow the steps below:

1

Scan the QR code or go to o2.co.uk/national-databank

We've zero-rated this site for O2 customers, so visiting it won't use any of your data.

2

Enter an O2 PAYG mobile number and tick the consent box

Need help staying connected?
Redeem 7GB of Pay As You Go data, on us

Who is the data for?

For myself Someone else

Enter your mobile number:
e.g. 07852315614

Your personal data will be used in line with our Privacy Policy. If you tick the below box, you give your consent to O2 to use your mobile number to issue a voucher code. O2 also relies on our legitimate interests to keep your mobile number for 3 months while this offer lasts for fraud prevention and to ensure that only one voucher is given per phone number as per the Terms and Conditions.

Tick this box if you consent to O2 using your mobile number to issue a voucher code.

Please save your voucher code. One code per mobile number.

3

Receive a 16-digit voucher code

Success, your unique code is below

0000-0000-0000-0073

Please save your voucher code. One code per mobile number.

NB: From 1 December, this voucher code will be sent to your number via SMS rather than appearing immediately.

4

Call 4444 from an O2 PAYG number to activate your voucher

Step 1

Activating your data

To add the data to your sim, call 4444 from your O2 number or 0345 062 277. Then follow the instructions.

If you need a further hand staying connected: We've donated over 60 million GBs of O2 data to the National Databank, which we set up together with Good Things Foundation, to help keep the country connected year round. Find your nearest databank [here](#) and visit a centre to receive up to 12 months of support.

Plus, if you think you could become a databank partner, find out how to join [here](#).

If you think you could help to grow the number of databanks in your area, contact Good Things Foundation [here](#).
