Energy/Telecom Provider Information	Priority Services Register Number	<p>Customers with pre-payment meters who may not be able to add credit can speak to their supplier about options to maintain supply, e.g. nominating a third party for credit top-ups, having a discretionary fund added to their credit, or being sent a pre-loaded top-up card. More broadly, any customer in financial distress will be supported by their supplier, which could include debt repayments and bill payments being reassessed, reduced or paused where necessary.</p> <p>The disconnection of credit meters will be completely suspended</p>
EDF	0800 269 450	Call: 0330 200 5110 operate a friendly, non-disconnection policy on most meters. If you run out of credit after 6pm your electricity will not go off until 9am the next day. This operates from 6pm to 9am Monday to Friday, 6pm on Saturday and any time on a Sunday or Bank Holiday, until 9am the next day
EON	0345 052 0000	<p>Call: 0345 052 000 If your meter falls below 50p of emergency credit for electricity, or if you're off supply for gas, you need to contact us and we will send an engineer to your home. It's important to remember that any credit we issue will need to be repaid in order to reinstate customers' energy supply. For electricity customers, where the meter is outside your property, we'll put enough credit on the meter to ensure you remain on-supply throughout your self-isolation period.</p> <ul style="list-style-type: none"> * Where the meter is inside, we'll leave a meter key at your door step, make contact with you, and check the key works before leaving the property. * For gas customers, where the meter is outside, we'll supply a maximum of £5 credit (this an industry restriction) and will also send a card in the post containing extra credit. * Where the meter is inside, we'll still attend the property and supply a maximum of £5 credit and send a card in the post with additional credit
