FEEDBACK FROM GCS'S FIRST ON-LINE CPD EVENT

"The technical support & guidance was clear & helpful. The training was competently & thoughtfully delivered, whilst working remotely I still felt present & engaged with the material."

Men's Issues in Psychotherapy & Counselling July 4th & July 11th 9.45 am – 1 pm

A rare opportunity to explore with Professor Andrew Samuels in Two On-line Zoom Training Sessions

Andrew will cover three pervasive topics over the two sessions which are of general interest because of the heat they generate:

- The role of the father;
- The issue of promiscuity;
- Sexual misconduct by male psychotherapists & counsellors.
