

# GCS Training

A Community of Trainees & Practitioners

## Don't forget to book your place: on-line lecture with Prof Alessandra Lemma: Body Modification

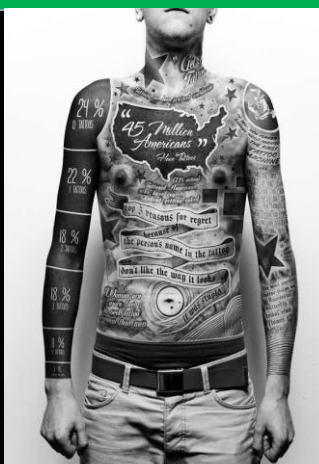

**June 27<sup>th</sup> 9.45 am – 12 pm**

The lecture will introduce key psychoanalytic concepts about the body & the experience of embodiment through an application to body modification practices. It will examine the unconscious phantasies that drive people to compulsively modify their bodies through cosmetic surgery, piercings, tattoos & scarification.

## Would your school or organisation benefit from Reflective Supervision?

GCS offers clinical reflective supervision as well as a Reflective Supervision Group that includes a training element, empowering the group to take skills back into the school or organisation. **Contact us for more info.**

## Are you interested in Men's Issues?

**Book now for On-Line event with Prof Andrew Samuels**  
**July 4<sup>th</sup> & July 11<sup>th</sup> 9.45 am – 1 pm**

*A rare opportunity to explore with Andrew Samuels in Two On-line Zoom Training Sessions*

Are there different stories to tell about men & therapy? Are their patterns, aims & goals different from those of women and, if so, have we recognised this in how we consider & organise our work? Perceptions of men are deeply split in Western-style cultures & these cultural & public themes find their way into the intimate therapy space.
