September weekend activities

Autumn Woodland Wonder Sladebank Woods (Stroud)

Ages 6 – 11 years 12th & 13th Sept

Ages 11 – 14 years 3rd & 4th Oct

The woods have opened up with this opportunity for small groups of children to enjoy a weekend of structured creative play in a supported outdoor environment. Based on a Forest School model young people will have the chance to explore a wide range of artistic and constructive activities inspired by the woods. This inclusive setting welcomes everyone but in order to get the most out of activities participants should be able to move around on rough terrain.
