

Dying to make a difference:

A conference to share learning from the lives and deaths of those with learning disabilities in Gloucestershire

23rd March 2023

9.30am - 4.30pm

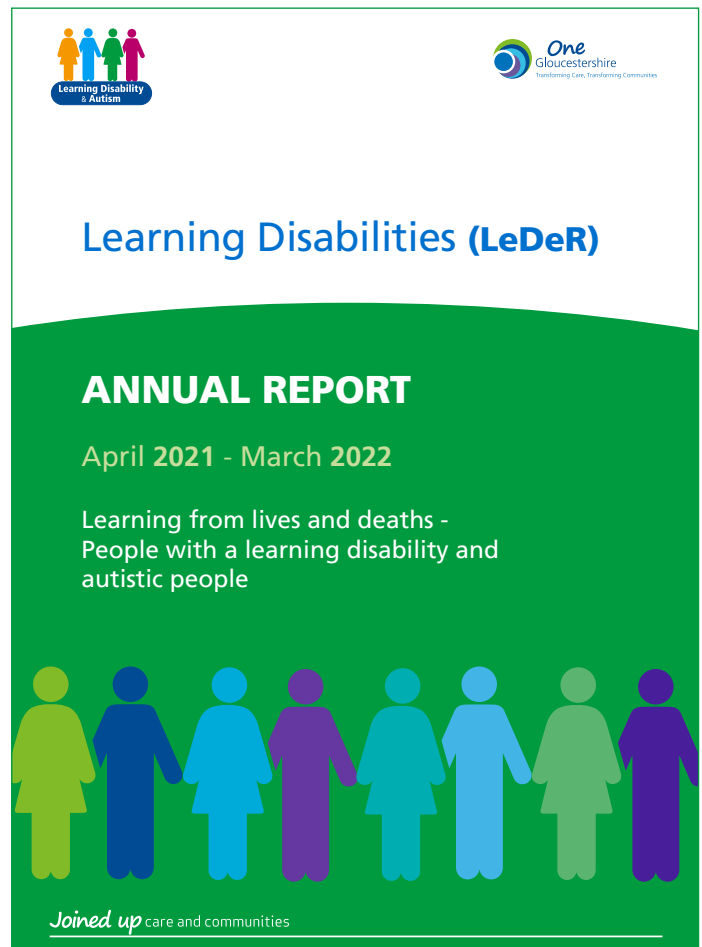

Lunch is included

About this Event

The day will focus on the learning from deaths of those with a learning disability (LeDeR) and will feature speakers with personal experience, a variety of workshops all attendees will have the opportunity to attend; focussing on the main learning themes of dysphagia, talking about dying, going into hospital and unique wellness as well as sharing the learning from last year's LeDeR annual report 2021-2022.

Who should attend this Event

The event is aimed at paid staff in health and social care supporting people with learning disabilities in hospital or in the community.
