

Below are two bitesize training and activity videos the Early Years Advisory Team has developed to support you to build and plan a Curriculum for your children.

Video 1: Curriculum Vision and Pedagogy (Part 1)

This video covers:

- Key terminology to support your understanding of Curriculum, Cultural capital and Pedagogy.
- Support to create a shared curriculum vision for your children based on their needs
- An activity to reflect on the meaning of pedagogy and teaching

Video 2: Building a Progressive/Sequenced Curriculum (Part 2)

This video covers:

- What is a progressive or sequenced curriculum?
- How this links to your curriculum vision (from part 1)
- Content to consider
- Examples and templates
- A starting point activity (optional)
