14:30 – 14:50	Round up/wellbeing time Home time	Round up/wellbeing time Home time	Food pack talk and gifts for everyone Home time

Along with the timetable above children will have access to a wide range of activities for self-section if they choose not to take part in a planned activity, these are also supported by staff e.g. construction activities, a reading/ quiet area, board games, role play, music and dance, sports equipment and small world. The idea is to provide a unique and enriching experience however, understandably not all children may want to take part in everything. Therefore, we are providing a variety of experiences whilst allowing self-selection.
