## SchemaPlay™ Workshop

### Unlocking the Potential of Children's Play and Communication

Are you an early years' educator in Hounslow who is passionate about supporting children's learning and development through play and communication? Then we have a special opportunity for you!

**On Saturday 15 June 2024 from 10am to 3pm**  
(refreshments from 9.30am)

**At Grasshoppers Rugby Football Club, Isleworth**

**SchemaPlay™ Director Lynnette Brock and Accredited Trainer Dianne Yewman will be coming to Hounslow to deliver this engaging training event.**

A unique chance to be introduced to or to deepen your understanding of children's schematic play and to gain practical insights to enhance your practice.

In this interactive session, Lynnette and Dianne will explore the significance of our responses to children's play and communication and will cast a light on the valuable role of schematic play in fostering children's mastery, self-belief, and improved learning outcomes.

#### Event highlights:

- **Interactive Play Stations:** Engage in hands-on activities designed to stimulate children's self-esteem, learning and creativity.
- **Expert Talks:** Listen to experienced professionals share their knowledge and expertise about schematic play and its benefits.
- **Refreshments and discount book vouchers for all attendees.**
