

INTERESTED IN DEVELOPING YOUR DIGITAL SKILLS?

**Karakusevic Carson Architects and Hounslow Council
are offering an opportunity to sponsor one local
resident to undertake a fully funded course in IT or
digital skills learning.**

What's on offer?

You can choose from:

Either

- A £2000 bursary to help with living and course-related costs to support an individual to complete an Entry Level or Level 3 Adult Education course in Computing & IT at West Thames College (on the basis of free course access). Scan the QR code for details.

Or

- Funding to cover the fees for a Firebrand Training course of your choice (value of up to £2000). Firebrand Training provide highly targeted courses on a range of specialist software and workflows to allow individuals to gain a competitive edge in IT skills. Scan the QR code for details.

We will discuss these options and candidates preferences at interview stage.

Eligibility Criteria:

- Must be a resident of London Borough of Hounslow.
- Pass grade GCSE in English and Maths.

How to apply:

To request an Expression of Interest form, please send an email with the subject 'Sponsored IT course application' to:

**m.macgregor@karakusevic-
carson.com**

Deadline: Friday 4th April, 2025
