## MY HOHOHO VOLUNTEERS WANTED!

This year has been tough for everyone, which has led to most of us experiencing isolation and separation. For some older members of the community this is their everyday life! This year we want to spread a little cheer for those who will be spending Christmas alone.

We would like your help! After all, wouldn't it be amazing ending the year helping others? We are looking for volunteers to simply cook an extra meal for Christmas this year and deliver it to someone in your community that will be completely on their own for Christmas Day! Whatever you're cooking on the day, whether it be Turkey with all the trimmings or another meal, why not cook a little extra and pop a meal into someone who is on their own. We will match you with someone local (walking distance) and we will supply a seasonal bag of goodies for them and drop off to you in advance. We will even supply the plate! Please get in touch if you would like more information about cooking a Christmas meal for someone in your local community.
