YOUTH COUNCIL

About the Youth Summit

The Lambeth Youth Summit is an annual event held by the Lambeth Youth Council (LYC) which brings together young people, local organisations, the local authority and businesses/community under one roof to really focus on presenting opportunities for the youth. Lambeth Youth Summit '24 is aimed towards young people aged 11-19(25 SEND).

LYC consults with young people in the community to gather views and local businesses

LYC runs campaigns all across all different sectors.

We are an advocate for young people to the local government, policymakers and other decision makers

What should your stall do at the Youth Summit?

- Showcase the amazing work your organisation does!
- Be an access point for young people to be a part of your organisation, or sign up for services you provide. (If either is applicable)
- Information on your organisation and material for people to take away with them
- Give out freebies should you have any - everybody loves a freebie :)
- We recommend that your stall has flyers and personalised branding so that you stand out amongst all of the other amazing organisations we'll have in attendance

Next Steps

We ideally would like stalls available for both of the sessions to avoid a hectic set up and pack down during intervals as there will be a lot of foot-traffic throughout the day so we are giving enough notice for you to also arrange a staff changeover should you need it.
