

Beam helps Camden residents to start work!

How does Beam help?

1) Funding: Beam can fund items you need to start a great job! This can include training course fees, a smartphone, laptop, childcare fees, first month's travel to work, clothes, equipment & tools!

2) Job Support: Your Beam caseworker will help you find a job! Beam help you with your CV, finding jobs, writing job applications and preparing for interviews.

All of Beam's support is free!
