

Black Entrepreneur Event

Wednesday 13th October 2021, 18:00 – 20:00

Come and join us for Black Entrepreneurs Event, an online workshop, followed by a panel discussion with seasoned business founders.

Black Pound Day is an initiative to champion Black-owned businesses and support the growth of the UK Black economy. Founder, Swiss, will join as our host for the event as part of Black History Season.

Special guests include:

Swiss: Founder of Black Pound Day and former So Solid Crew rapper

Councillor Sabrina Francis: Mayor of Camden Council and Councillor for Bloomsbury. Sabrina started her career as an education worker for a charity that aims to get disadvantaged children into higher education.

Rebel Business School: Business support training organisation that advocates for an alternative approach to start-up support

Samira Gomes: Founder and CEO of EMMSTech, a non-profit organization supporting and empowering women of colour in the nordic tech industry. Samira is also a programme manager at Impact Hub Kings Cross.

Louis Howell: Co-Director of Revolution Hive and Founder of 7pk. 7PK is dedicated to providing people from disadvantaged backgrounds with increased access to opportunities, to support social mobility.

Troy Baptiste: Founder of Our Little Markets, trading across markets in Camden and supports residents experiencing unemployment.

Sandra Soteriou: Founder of Knots U.K. Knots UK creates headwraps and accessories made by women for women in London. Born in the US, but of Haitian descent, Sandra has always loved wearing headwraps as a child, influenced by her Haitian culture. Wearing headwraps made her feel strong and confident, and she wanted to help other women to feel this way too.

Pablo Morgan: Founder of Morgan Developments. Morgan Developments is a social enterprise founded to address the skill shortage within the construction industry and to change the narrative around blue-collar professions such as plumbing and electrical installation.

Limited spaces, please book your place
