

Following on from last week’s two Careers Leader briefing sessions, information and joining details have now been shared with all Careers Leads.

\_Their programme:

**Hear from...** An opportunity for Careers Leaders to hear from Careers Leaders through a facilitated conversation about their best practice, approaches and strategies.

**Chat with...** An opportunity to have a conversation with members of the Bridge GM team to explore information from the Careers Leader Handbook.

**Collaborate with...** An opportunity for your Enterprise Coordinator to connect you with other Careers Leaders and Enterprise Advisors in your area to collaborate on shared priorities and/or gaps in provision and share resources.

**Joining the session**

To join the **Hear from...** and **Chat With...** sessions, simply click the link in the box below the session you would like to join. Ahead of the session you can join to add questions in the chat function.

**Collaborate with...** Your EC will contact you and others in our area to offer you the opportunity to join a call to collaborate on shared priorities. These sessions will be offered based on a gap analysis from your last Compass submission.

Next session as below:

Date	Focus	Hear from...	Chat with...	Collaborate with...
w/c 22 June	Identifying and tracking young people most at risk of the poorest outcomes.	Careers Leaders that are using data to systematically track students and use data to inform careers programmes, curriculum and interventions. In other news - Letters and reports have gone out to all Heads/Principals about how they plan to work with schools and colleges going forward, and about the forthcoming launch from our Mayor, Andy Burnham of a 'Post Covid Recovery Response' for young people. Further information will be shared as this work develops and we get responses.

Enterprise Co-ordinators, Claire & Nafisa continue to work and support schools remotely. If it hasn't been booked already they will be making appointments to carry out the summer Compass assessment. They also continue to work with Careers Leaders to get 'on boarded' with GMACS.
