

 Get your
FUTURE
started

FREE workshops delivered on site
and online for
YR9 - YR12 students in Manchester

SKILLS DEVELOPMENT

developing key employability skills will widen a young persons net of opportunity for a successful entry into the world of work.

PERSONAL GROWTH

encouraging use of personal experiences to build resilience; emotional intelligence; and confidence to deal with everyday challenges.

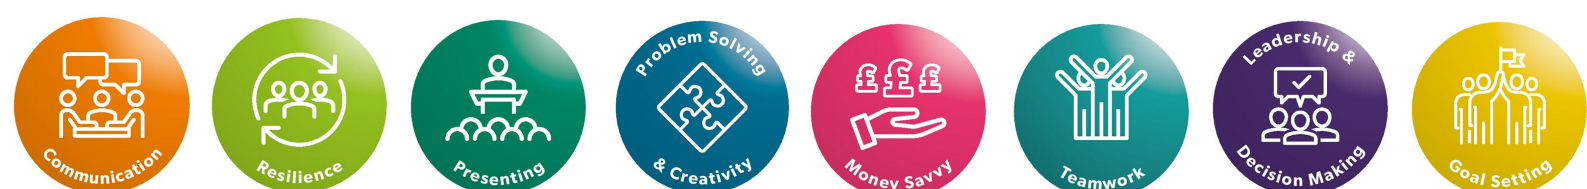

MAKING THEIR MARK IN THE WORKPLACE

supporting young people to become confident communicators; to take a share of the workload; to builds a network of supporters and be a supporter to others and to champions an outstanding work ethic.

CREATING THEIR OWN ROAD MAP

by identifying goals, possible obstacles, solutions for getting back on the road and knowing that achieving those milestones is the start of the journey not the end.
