

60-1-6 MENTORING

60 minutes of 1-2-1 mentoring for 6 months

- For 16-18 year olds
- Delivered online

We recognise that the interruption to your education caused by the Covid-19 pandemic has created challenges, so we've created a new one-to-one mentoring programme to help support you.

- We'll match you with a trained mentor who will help to motivate you and support you in making informed choices in education and beyond.
- Mentoring will be tailored to your circumstances, so you'll set goals together and your mentor will provide advice and guidance to help you achieve them.
- You'll have weekly one-hour sessions with your mentor for six months.
- Your mentoring sessions are completely flexible, so you can schedule them at a time that suits you.
- Your mentor will provide non-judgmental support as you return back to education.
