Digital People

A new course for Greater Manchester 16 – 24 year olds who want to work in tech.

You don't need experience or qualifications, just a real interest in digital, motivation and willingness to learn.

You will learn coding, networking and cyber - in-demand skills, with good jobs available now.

You will also get lots of support from our friendly team and be part of a supportive group of fellow learners.

Career mentoring from Cisco, one of the world's top tech companies, will help you progress towards a job, apprenticeship or further course.

The timetable is 15 hours a week (mornings or afternoons) for 12 weeks – but we can be flexible, to fit around the rest of your life.

Course starts: March, May and July 2021.

WE ARE ESPECIALLY KEEN TO HEAR FROM:

- *Women (50% of learners will be female)*
- *People from black and minority ethnic communities*
- *People with special educational needs and disabilities*
- *Those on low incomes*
- *Those who have lost work or opportunities due to COVID*

The next application deadline is Friday 5th March, for a March start.
