This course meets all requirements for you to become a construction worker. Upon course completion and passing the required exams, you will receive payment to apply for your **CSCS** card, which is essential for securing work on UK construction sites.

The course consists of the following qualifications and benefits:

- Level 1 Certificate of Introduction to Construction
- Preparation and entry for test required for the CSCS card (**Paid for by B2W**)
- Registration for CSCS card upon passing all the required units and exams (**Paid for by B2W**)

Full guidance and support will be provided throughout the **10-day programme**. Your work will be assessed through portfolio-based evidence however we are flexible in our courses, the more effort the candidate puts in, the quicker they can finish the course.

Learners must complete a Maths/English test (BKSB) before being enrolled onto the course, without the completion of the BKSB, the candidate cannot start the course.

Course hours – 10am – 4pm daily
