

**Eligibility: Must be aged
19+ and live in Greater
Manchester**

Qualification: Principles of End of Life Care

LEVEL 3 CERTIFICATE

12 week online course that will give you the knowledge and understanding required to care for people approaching the end of their lives.

To help you understand how to support people approaching death, the Level 3 Certificate covers a wide range of care settings, including hospices, care homes, care in the community and primary care.

The course will explore the common questions and themes in end of life care, and you'll also gain an understanding of how to support a person's familial, spiritual, social and emotional needs.

Learn with expert tuition and support.
Further your personal and professional
development and demonstrate your
competency to employers.

WHAT YOU WILL LEARN

- What end of life care is and what it involves
- Communication skills during end of life care
- Assessment and care planning in end of life care
- Person-centred approaches to end of life care
- Care during the final hours of life and bereavement care.

WHY CHOOSE US?

- Access to high-quality online learning content throughout the course
- Gain a range of key skills to aid career progression and earning potential
- Receive support and guidance from a dedicated team of qualified tutors and assessors.
