

# Qualification: Understanding

## the Principles of Dementia Care

### LEVEL 3 CERTIFICATE

The Level 3 Certificate in Understanding the Principles of Dementia Care is a 12 week online course that will give you the knowledge and understanding required to care for people living with dementia.

The course will introduce you to the types of dementia and the importance of early diagnosis to provide you with an in-depth understanding of dementia and its effects.

To encourage positive interaction, you will be taught person-centred approaches to care and the role of communication and equality, diversity and inclusion in dementia care and support.

Learn with expert tuition and support. Further your personal and professional development and demonstrate your competency to employers.

### WHAT WILL BE COVERED?

- Understanding dementia
- How person-centred approaches are used to underpin the care and support of individuals with dementia
- Supporting positive interaction, occupation and activity in dementia
- Equality, diversity and inclusion in dementia care and support
- How to support individuals with dementia to exercise choice and rights
- The administration of medication and well-being of individuals with dementia.

### WHY CHOOSE US?

- Access to high-quality online learning content throughout the course
- Gain a range of key skills to aid career progression and earning potential
- Receive support and guidance from a dedicated team of qualified tutors and assessors.
