

## ADULT EDUCATION COURSES

### HEALTH AND SOCIAL CARE

This course gives you the opportunity to acquire and develop generic, transferable and sector-specific skills for Health and Social Care in order to complete tasks and demonstrate a level of achievement that enables you to progress to further learning.

The Certificate offers an introduction to the health and social care sector before then allowing you to progress onto other specialist areas - gives you the opportunity to develop a broader range of skills in the health and social care sector.

On the course you'll learn about health and social care services, communication skills required for the sector, how to advise others about healthy lifestyles and much more.

#### How will we support you?

- Qualifications to help you secure employment in a health and social care setting
- 1-2-1 sessions with your sector specialist tutor with a blended learning experience
- Develop your knowledge around Safeguarding, Dementia, Person centred approaches
- Study materials to support learning, access to daily sector specific vacancies
- Boost your confidence and update your CV with new skills developed on the course
