# Free Travel Training for young people

Have you ever wanted to go to places independently but didn't know how to, such as the cinema, youthclub or shops?

If you are a young disabled person aged between 16-25 and living anywhere in Manchester, this could be an ideal opportunity

Where do I want to go today?

The A-Z travel training programme is about young disabled people gaining independence, confidence and skills to travel independently on public transport

We will provide free training and direct 1-1 support to help you get from A-Z
