

REGENERATION
BRAINERY

MANCHESTER, WE ARE BACK!

Over five days, we will deliver our inspirational careers workshop where you will gain a unique insight into the wide range of careers in property and regeneration, and the best part – we are completely **FREE!**

Not only that, but we guarantee each student who takes part a match-made work experience placement via our Graduate Club based on the area that you found most interesting.

WHEN & WHERE.

We're back in Manchester for another fun-packed week for students aged 14 and above.

25TH – 29TH OCTOBER

Supported By

LLOYDS BANK

BDP.

CAPITAL&CENTRIC

WHAT TO EXPECT .

Throughout the week you will take part in numerous activities that will give you first-hand knowledge of all the amazing career opportunities within the property industry.

MENTORS .

You will meet so many amazing Mentors at the very top of their careers who love to share their career journey with you.

PROJECT VISITS .

You will visit numerous spaces ranging from amazing co-working offices all the way to live construction sites.

PRACTICAL .

You will put your new knowledge and skills into practice by taking part in group projects.

WORK EXPERIENCE .

After completing our Workshop you will be able to sign up to our **FREE** Graduate Club, where we guarantee every student a Work Experience Placement.
