## Skills for Growth - SME Support

GC Business Growth Hub is welcoming organisations to join our Skills for Growth –SME Support Programme procurement opportunity.

Skills for Growth – SME Support is a fully funded skills consultation service tailored to helping SMEs up-skill their employees and improve productivity.

We work at their pace to help them grow their business through re-shaping, developing their talent and enhancing their team's performance.

**To find out more contact [enquiries@skillsforgrowthsme.co.uk](mailto:enquiries@skillsforgrowthsme.co.uk) or call us on 0161 237 4444.**

## How it works

### Step 1

---

You will be assigned a dedicated skills coach who will execute an assessment of the/your current business model, talent and skills.

### Step 2

---

We will work with you to develop a bespoke productivity and skills plan, provide you with access to impartial advice and guidance and work with you to support your employees on a 1-1 basis.

### Step 3

---

We undertake the research to find the right training provider for you and provide the platform for you and your employees to access their training.
