"Careers Insight: Corporate Healthcare"

28th January 12:00-13:00

The NHS is the 5th largest employer in the world. 1.5 million people work for the NHS and many of these are in corporate roles supporting the running of essential services. If you are interested in working for the NHS but would not like to work in a clinical role then this session will give you all the information you need.

"NHS Apprenticeships: An Intro"

7th February 17:00-18:00

Did you know you can do an apprenticeship with the NHS to kickstart your career? Come along to this session to find out all about the apprenticeship roles available.

"Social Care Apprenticeships: An Intro"

9th February 16:00-17:00

If you would like to find out more about an apprenticeship within the adult social care, this is the session for you! Hear all about what the pathways are to succeed in a career in social care.

"NHS Apprenticeships: AHP Assistant Roles"

11th February 13:30-14:30

AHPs make up a large amount of the NHS workforce and include physiotherapists, radiographer, podiatrists and more. If you would like to know how to enter these careers as an apprentice, come along to this event.

"Careers Insight: Social Care"

23rd February 12:00-13:00

If you would like to find out more about a career in Health and Social care then this session is for you. This workshop will cover the vast range of roles available and how our "Step into Care" Program can help support your application into a role within the sector

"GM Pre-Employment Offer"

24th February 13:00-14:00

Pre-employment programmes are a great way for people who are currently unemployed and claiming universal credit to get into work within the NHS. If you would like to hear more about the programmes on offer across GM, this event is perfect for you.

"Careers Insight: Nursing"

7th March 17:00-18:00

Are you familiar with the different types of nursing? Or the different pathways you can choose to become a nurse? Come along to this event to learn about the nursing opportunities available in the NHS.

"Careers Insight: Estates and Facilities"

9th March 16:00-17:00

Estates and facilities staff look after NHS buildings and the grounds around them so they are a safe and pleasant environment for our staff and patients. They also make sure that goods and patients are where they need to be so care is received at the right time and the right place. Come to this session to hear about the range of careers available.

Next Step: NHS
