

Step into Teaching:

A pathway into employment in primary and secondary education

Are you interested in becoming a teacher?

The WEA and Now Education are working together to support people with a passion for teaching into a position of employment within the education sector.

This programme consists of:

- ✚ Level 2 Award in Helping in Schools
- ✚ Essential Digital Skills
- ✚ L2 Award in Understanding Autism and SEND

Step into Teaching will provide you with:

- 1-1 support from tutors, mentors and a leading education recruitment company
- A placement opportunity in a primary or secondary school local to you
- Applicants who do not already have the Maths and English L2 qualifications that are needed for a role in teaching will be assessed and provided with access to these courses at no cost
