

Jobs of the Future

Manchester has a vision for a healthy, green, socially just city where everyone can thrive.

The target is to become a zero carbon city by 2038 at the latest, 12 years ahead of the Government's target for the UK of 2050

Along with our partner's, One Manchester is supporting the City to achieve their goal by providing opportunities for you to gain skills, experience and knowledge in the Green sector and move into the jobs of the future.
